More than 5.000 years ago, the Ancient Egyptians used different metals. They used iron, copper, and bronze. They used precious metals, like gold and silver for making jewelry. There weren't many silver mines in Ancient Egypt, so they bought it from other countries through trade. They used it to decorate statues of kings and queens. Because silver is not very durable, we don't find silver in Ancient Egyptian artifacts. Sadly, the salt in the tombs destroyed a lot of it, so we cannot see very much of it today. The Ancient Egyptians were very clever.

People say that there is a lot of gold in Tutankhamun's tomb. It's true! Ancient Egyptians liked to use gold because it is valuable, but it's also durable. When they covered their artifacts with gold, they kept them in good condition. Ancient Egyptians also knew that certain materials could last a long time. That's why they used granite to build the Pyramids because it's a very hard and durable stone. They used a lot of glass, which lasts forever. They also used clay, which is found close to the River Nile, to make their pots.

A- Choose the correct answer from a, b, c, or d:

1 …………….were built with granite.

a) Pots b) The Pyramids c) Tutankhamun's tomb d) Artifacts

2 The underlined word "durable" means…………

a) cheap b) hard c) weak d) small

B Answer the following questions:

3 Why did the Ancient Egyptians like to use gold?

……………………………………………………………..

4 What did they cover their artifacts with?

……………………………………………………………..

5 Where could the Ancient Egyptians find clay?

Omar adores reading, especially short stories that he can find in the school's library. His favorite story is "King Midas and the Golden Touch." King Midas loved his daughter Marigold, his rose garden, and gold. One night, the king helped a sick goat that looked very sick. To thank him, it made his wish come true. The king could turn everything he touched into gold. He then hugged Marigold, who turned into gold. King Midas cried, wanting the goat back, but he didn't care about the roses. The goat returned to change everything back to how it was before. King Midas thanked the goat for his help.

"Ancient Egyptian artifacts"		
Guiding words:	durable	preserve

We have a lot of artifacts in Egypt. The climate is hot and dry in Egypt. That help us preserve these artifacts .Cold and wet climate damages the artifacts. The Ancient Egyptians built the Pyramids. They used granite. It is very hard and durable stone . It could last a long time.

"Pets in Ancient Egypt"		
Guiding words:	cats	feed

The Ancient Egyptians loved a lot of animals. They kept many as pets. They adored cats. There was a cat in every house. The Ancient Egyptians believed that cats looked after them. They were also good pets. They cleaned themselves. They kept the houses free of rats and snakes. This was important for farmers.

"Your favorite toy"		
Guiding words:	skateboard	fast

My favorite toy was my skateboard. I loved going to the park and playing with my friends. They had skateboards, too. We all wanted to go so fast! My skateboard was black, with orange and yellow stickers on it. I had to wear a helmet and knee pads. I really like my old skateboard.

"Video games"		
Guiding words:	meteorites	ground

My favorite games are video games. I don't play them very often, though, I play for about an hour on the weekend. My favorite games are ones where you build cities, I have made a really big city using different bricks. It has animals and plants in it, too, I like these games. They are really exciting.
